

Important declaration

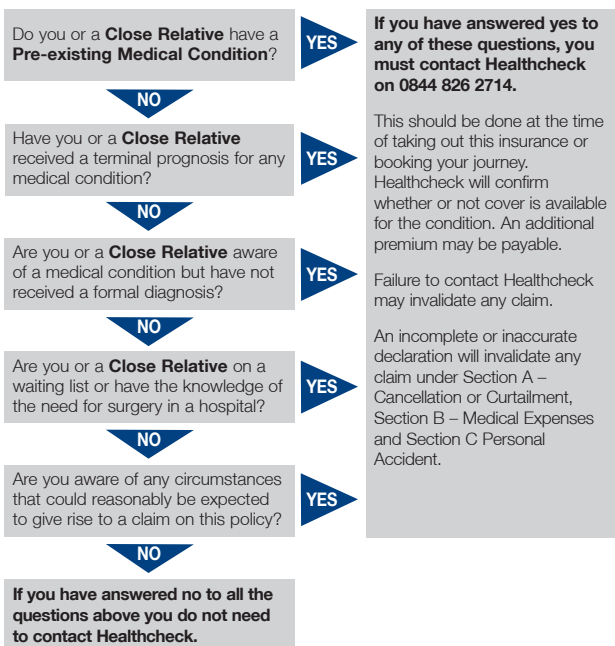

An insurance policy can only provide cover in respect of an event/occurrence which is sudden, unforeseen and beyond your reasonable control. Any facts known to you, which could possibly result in you having to make a claim, must be disclosed to us otherwise you may not be covered. In addition, anyone named under the policy must have read and understood the following relating to **Pre-Existing Medical Conditions**:

PRE-EXISTING MEDICAL CONDITIONS

Cover is excluded for any defined Pre-Existing Medical Condition. If in doubt please call our Healthcheck in confidence on:

0844 826 2714

The medical screening helpline may be contacted between 09.00 and 17.00 Monday to Friday and 10.00 to 16.00 on Saturdays. Healthcheck is optional for those persons wishing to establish if additional cover may be offered to include **Pre-Existing Medical Conditions**. You will be asked for your personal and travel details. Please have your individual policy number to hand if known.

Please see page 2 for policy definition of **Pre-Existing Medical Condition** and Change of Health.

Please note

One of the many benefits of travel insurance is the easy access it affords to medical emergency assistance if you suddenly fall ill abroad. However, travel insurance is not a substitute for private medical insurance. It is important to note that cover is only provided for necessary emergency treatment in the event of an accident or unexpected illness that has been approved by our assistance company.

Pre-Existing Medical Conditions

COVER IS EXCLUDED FOR ANY DEFINED PRE-EXISTING MEDICAL CONDITION. IF IN DOUBT PLEASE CALL OUR MEDICAL SCREENING HELPLINE, IN CONFIDENCE ON: 0844 826 2714

Definitions of a Pre-Existing Medical Condition:

- a) Any respiratory condition (relating to the lungs or breathing), heart condition, stroke, Crohn's disease, epilepsy, allergy, or cancer for which you (or any other person not necessarily travelling but upon whom travel depends such as a **Close Relative**) have ever received treatment (including surgery, tests or investigations by your doctor or a consultant/specialist, or prescribed drugs/medication).
- b) Any **Medical Condition** for which you (or any other person not necessarily travelling but upon whom travel depends such as a **Close Relative**) have received surgery, in-patient treatment or investigations in a hospital or clinic within the last twelve months, or prescribed drugs/medication.

You will be advised whether the **Pre-Existing Medical Condition** may be covered, an optional additional premium may be quoted and whether any amendments will be made to the policy terms and conditions. If terms can be provided for the condition and you elect to take up the offer of the additional cover, you will be given a medical screening reference number and a letter will be sent to you upon receipt of payment. Any additional premiums must be paid directly to the medical screening company and not the company you are arranging your travel insurance with.

Should you not wish to take advantage of the optional terms quoted by the medical screening helpline, cover for the **Medical Condition** in question will be excluded.

There is no cancellation or curtailment cover for a **Pre-Existing Medical Condition** of persons not necessarily travelling but upon whom travel depends, such as a **Close Relative**, unless disclosed to the medical screening helpline by that same **Close Relative** and additional cover agreed.

Please also see General Exclusions for additional details of other excluded **Medical Conditions**.

Change of Health

If an **Insured Person's** health changes after the date this policy was purchased, then you **MUST** contact the medical screening helpline immediately if:

- The **Insured Person** has reason to believe that their journey may need to be cancelled or curtailed, or they are aware of any other circumstance that could reasonably be expected to result in a claim on this Policy; or
- a doctor has advised them against travelling or they believe would do so if his/her advice was sought; or
- they have any medical condition for which they have received a terminal prognosis; or

Provided the journey was booked before the change of health occurred, you may have a valid cancellation claim if the **Insured Person** has to cancel their journey, or if the Insurer cannot provide the cover required.

If advised about an **Insured Person's** change of health, the medical screening helpline will tell you if they can provide cover for any claim arising from this change of health, and if so, whether any additional premium is required, or any additional terms apply. If the Insurer agrees to cover any change in health, then they will confirm this in writing.

If you do not let the medical screening helpline know about any **Insured Person's** changes of health, then you may not have the cover you need and it may invalidate your Policy or reduce the amount of any claim.
