Barnsley: 01226 299900 • Bradford: 01274 737322

# A warm welcome to Globe Holidays selection of Coach Holidays & Short Breaks for 2020

We are delighted to be entering into 2020 with renewed enthusiasm, here at Globe we always pride ourselves on delivering an affordable yet varied selection of destinations and breaks, 2020 will be no different; be it your first time traveling with us or if you are one of our many returning travellers we are certain you will find something to suit your holiday needs. Our 2020 brochure features many new and exciting destinations as well as all of your old favourites, so whether it be a one night break to Liverpool or Birmingham or a dual centre holiday to Torquay and Bournemouth we are confident that there will be something for you.

## Who are we?

A familiar name in South Yorkshire for over 66 years we have two travel centres, one in Barnsley and the other in Bradford – for those of you whom are in the Hoyland and Wath areas of Barnsley we are delighted to continue our relationships with both Grays Travel (Hoyland) and Kayne Travel (Wath-upon-Deare).

As a family run business we strive to offer that personal touch, whilst respecting that many of you choose to have a break because you simply want to get away from it all and do your own thing, our travel centre staff have a combined experience of over 130 years within the industry and have produced individual itineraries for each holiday, details are available within the brochure itself however should you require further information on any of the trips please feel free to ask.

## Our coaches

We are delighted to have added two brand new 2019 VanHool touring coaches to our fleet this year, for those of you whom travelled towards the latter part of the season you will no doubt have experienced these; with rear floor mounted W/C, low level seating and USB sockets at every seat the coaches feel lighter and airier, many of you have commented that they are by far the most 'open' coaches you have travelled upon, for your added comfort we have for the 2020 season decided to reduce the number of seats from 57 to 53, thus allowing you all that little bit extra leg room – luxury travel without compromise.

## Our drivers

Our team of professional tour drivers are always on hand to assist with any requirements you may have (within reason) and for many of our regular travellers you will be familiar with the delights of both Alex & Rob, for 2020 with the expansion of our programme we will be introducing more names to the mix, Andy, Martin & Chris are already waiting in the wings to deliver the same customer experience, we are sure you will not be disappointed in our choices – it is after all the driver that makes the tour.

## Single rooms

As you look through the brochure you will note that all prices per person based on two people sharing a double or twin room, as with many operators we can never obtain as many single rooms as we would like, and whilst we strive to make it as fair as possible to

passengers when travelling alone certain hotels may apply a supplement, as a company we do not profit on this element and simply pass on to yourselves the cost levied by the hotels, wherever possible we will try our best to accommodate with no supplement, however at the time of booking if no single rooms are available we will confirm the additional cost at point of booking – there are no hidden extras, we will be transparent with you. There may also be occasions whereby the hotel offer you the option of a 'double room for sole occupancy' – this guarantees you a double room for the supplement.

## Door-to-door pick up service

Our home pick up service has proved very popular in 2019 with many of you taking us up on this option. From April onwards all Holidays and Short Breaks of 3 days or more will include a home pick up service, this is included within the price of your holiday, should however you wish to make your own arrangements you are welcome to join us at any of our four pick up points at a reduction of £15.00 per person from the price, please see page 3 for pick up areas and departure points.

## Luggage

A medium sized suitcase weighing no more than 15kg per person is permitted on all tours; please ensure that you adhere to this – we reserve the right to charge an additional supplement should you have oversized baggage and the 'home-pick-up' vehicle not be able to accommodate additional baggage.

## Wheelchairs, walkers & motorised scooters

Folding manual wheelchairs and walking frames are accepted free of charge, should you wish to bring either with you please notify us at the time of booking so we can inform the driver. We have limited capacity to transport motorised scooters, we do accept them however they must be able to be broken down and fit into the boot of a car, we also request that where possible you have an able bodied travel companion to assist with the loading and off loading on the coach; when booking a charge of £10.00 will be applied should you wish to bring one with you, this simply covers the additional cost of the home pick up vehicle needed, if you are making your own way too and from the interchange no charge will be applied.

## Special occasions whilst away

If you, or a travelling companion are celebrating a Birthday or Anniversary whilst away please be sure to tell us at time of booking, we will arrange a special something for you on the day.

## Included excursions

At the time of booking you will be notified of what is included in the holiday, all excursions and admissions where applicable are included in the price – the price advertised is what you pay, there are no additions. A number of our holidays operate on what we call a 'Take-and-Fetch' basis, our driver will take you to the hotel, get you settled in and then be on his way, leaving you time to explore the destination at your leisure, on the day of return we will collect you

from the hotel and return you home, certain times may vary from resort to resort, you will be notified 4 weeks prior to departure of the full details.

## Booking & deposits

We are pleased to welcome clients to either of our travel centres, to one of our agents or alternatively you may book over the telephone. We accept all major credit & debit cards, cash, cheque or direct bank transfer – we have no booking fee and all holidays can be secured with a £25.00 per person non-refundable deposit, payable at time of booking. All balances are payable in full 6 weeks prior to departure.

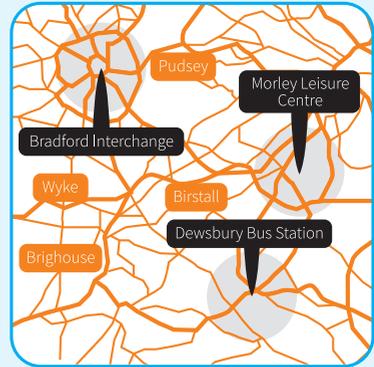

For your financial security and to ensure our clients monies are safe in the unlikely event of insolvency of the company we hold all clients funds in a client account, this means any monies paid to Globe Holidays are placed directly into the account and cannot be retrieved by Globe Holidays until the completion of your holiday, this is in line with requirements of the EU & Package Tour Sales.

All bookings are subject to our Trading Charter, a copy of which is available from either of our travel centres or to view online visit [www.globeholidays.co.uk](http://www.globeholidays.co.uk)

E&OE

## Home pick ups

We use both our own fleet of transfer vehicles and also taxis from reputable suppliers to carry out our 'door-to-door' services, the map above indicates a brief outline of our pick up area, it is for guidance only – our travel centre staff will confirm availability of this service from your postcode at time of booking, don't worry if you are not quite in the area though, we will always give you the option of joining us either at one of the pick up points or paying a small supplement for a private taxi transfer; we leave that choice up to yourselves.

## Routing

For 2020 we have 'streamlined' our operations, listening to feedback from clients about the length of time spent on the coach – for the entire 2020 we will follow one of two set pick up routes, pick up route A or pick up route B. You will note on every holiday throughout our brochure the letter A or B, this denotes the routing of the tour, the return journey will follow this route in reverse.

## Pick up route A

*Barnsley Interchange - Dewsbury Bus Station  
Morley Leisure Centre - Bradford Interchange*

## Pick up route B

*Bradford Interchange - Morley Leisure Centre  
Dewsbury Bus Station - Barnsley Interchange*

The distance/time between the first and last pick up point is timed so as not to exceed 90 minutes, this is obviously traffic dependant – by offering you the transparency at time of booking you know what to expect and what route you will be taking; on selected tours we will have a 'second coach' bringing our North Yorkshire passengers to join the main tour coach, this will however NOT affect your overall journey experience, the route will not change, you have our word.

## Did you know...?

Here at Globe Holidays we offer one of the most comprehensive, competitive and varied day trip programme in the area, with local pick up points throughout the Barnsley, Bradford, Morley & Dewsbury areas we would love to welcome you on our day trips too, a full listing is available at [www.dayoutbycoach.co.uk](http://www.dayoutbycoach.co.uk)

We offer coach hire for schools, groups and corporates too, with a fleet of over 25 vehicles we would be delighted to package something up for you – no job is too big or too small, we work with a number of other local operators too so we are sure that our services can find you the most competitive package.
